NAME TWO

Bible Trivia Card Game

Enjoy these FREE cards with your Kiddos. While my targeted age is middle school, Bible students of all ages can enjoy these!

Print the cards onto cardstock, then cut and fold each one. Place them in a bag so players can't see which card they are drawing.

(If you're using the blank cards on pages 7-8, write in your questions or have your kids write some to use.)

When a player draws a card, they answer the questions. Optional: They can also share where the answer can be found in Scripture.

Terms of Use: This free resource was created for you to use at home with your child/students or with multiple children in a classroom/tutoring setting. Please do not sell, host, reproduce, giveaway, or store on any other site (including a blog, Facebook, Amazon Inspire, Dropbox, etc.). Thank you!
