BIBLE Comics

Create your own!

Encourage your learners to engage with God's Word by drawing out Biblical accounts in comic book style!*

You'll find comic book pages for the Old Testament beginning on page 3, the New Testament (page 10), and four open-ended comic pages for learners to choose their own person or account.** (page 16).

*By "comic" I do NOT mean learners should draw something funny based off something silly from the Bible. Learners will be drawing and sketching about real people and events from Scripture.

**When teaching kids about the Bible, I prefer not to use the terms "Bible character" or "Bible story." Instead, I use "person/people in the Bible" or "Bible event" or "Bible account." Avoiding "character" or "story" can help prevent confusion over the historicity of the people, places, and events of the Bible.

Terms of Use: This resource was created for you to use at home with your child(ren) or with multiple children in *your* classroom, small group, or tutoring setting. Please **do not** share this file between classrooms, sell, host, reproduce, giveaway, or store on any other site (including a blog, Facebook, 4Shared, Dropbox, Amazon Inspire, etc.). Thank you!
