Have fun with this quick-paced Bible game for the New Testament. The crazy thing is knowing the real answers makes this more challenging!

Before play, print and cut apart the cards. Shuffle them and place them face down. If you're playing with a large group of kids, let them take turns answering as you read the cards. If it's a smaller group, take turns drawing a card and reading it for the person to your left to answer (incorrectly, of course).

The goal of the game is to answer the questions incorrectly as quickly as you can. The answer must be given within a second or two and it must be within the same category as the real answer. For example, if I asked, "What color is a banana?", the answer must be a color. So, "purple" or "green" would be an acceptable answer. "Snowman" or "paper" would not be acceptable.

When you're finished with the game, see how quickly you can CORRECTLY answer all the questions!
